

## HOW TO FIND HPR at Heisenbergbogen 1, D-85609 Dornach/Munich?!

### TRANSPORTATION POSSIBILITIES FOR VISITORS:

1. **Arriving at Airport Munich:** If you do not use a taxi or rent-a-car from the airport to come directly to HPR - take the suburban train at airport station (Line S8, direction Herrsching – do not enter the Line S1!) and disembark at station Engelschalking or Daglfing and take a taxi from there to HPR at Heisenbergbogen 1, Dornach (or have a call to HPR to be picked-up).
2. **Arriving at Central Railway Station (Munich Centre):** Take the suburban train at railway station (Line S2, direction Erding) – disembark at station Riem and take the bus line 264 (direction Messestadt West) until station Humboldtstrasse (just cross the street right of Hotel Ininside) – this is Europa Zentrum I (light grey building) - where HPR is located (entrance from Heisenbergbogen 1, which is diverting from Humboldtstrasse).
3. **Arriving with the car:**
  - a) *From North:* (e.g. from airport by rent-a-car) take the Eastern tangent (Autobahn A99 direction ICM) until Exit ICM (International Congress Centre respectively Munich trade fare centre/MMC) and then continue on Autobahn A94 (direction Munich Centre) – following the route until Exit ICM/Riem/Aschheim-Dornach. Do not go left to ICM, but right to the direction Aschheim-Dornach. At second roundabout go to the left in Humboldtstrasse. Heisenbergbogen is then just diverting to the right after 200m (Europa Zentrum I, just across the street of a blue building housing the company FIDUCIA) and close to Ininside Hotel. HPR has two marked outdoor parking places at Heisenbergbogen.
  - b) *From West:* go through Munich Centre (direction to Autobahn Passau and direction to ICM/trade fare and congress centre, to A94), take the A94 until Exit Riem/ICM (International Congress Centre respectively trade fare centre/MMC) or take the Southern Tangent – (“Mittlerer Ring Süd” - direction to Autobahn Passau/ICM, A94) - until Exit Riem/ICM (International Congress Centre respectively trade fare centre/MMC) and continue on Autobahn A94 until Exit Riem/ICM/Aschheim-Dornach). Do not take the direction to ICM (right), but the direction to Aschheim-Dornach left). At the second roundabout go to the left in Humboldtstrasse. Heisenbergbogen (1) is then just diverting to the right after 200m (Europa Zentrum I, just across the street of a blue building housing the company FIDUCIA) and close to Ininside Hotel. HPR has two marked outdoor parking places at Heisenbergbogen.
